Contact us today by phone or email to schedule your test and receive prompt and reliable results. Trust Suretox Laboratory to provide you with accurate and high-quality testing services to protect you, your employees, and your community.

Why should I get tested?

- ✓ Help stop the spread of COVID-19
- ✓ Know when to self-quarantine
- ✓ Contribute data to the medical community

Who should get tested?

- ✓ Individuals experiencing lower respiratory symptoms such as cough or shortness of breath
- ✓ Individuals who have been in contact with someone who tested positive for COVID-19
- ✓ Individuals preparing for surgery
- ✓ Medical staff/personnel
- ✓ Employees as required by state
- ✓ Individuals who suspect they may have contracted COVID-19

Specimen collection and results:

- ✓ A nasopharyngeal, nasal or oropharyngeal swab is used to collect a test sample
- ✓ Facilities ordering 10 or more COVID-19 tests daily can be provided with a healthcare professional on site for specimen collection and transport of specimens to the laboratory
- ✓ An order and consent form must be completed for each test performed
- ✓ Test results will be completed within 24 hours of specimen arrival at the laboratory
- ✓ Official test reports are delivered to patients via email or text message
